

Commercial LED Floodlight

High performance floodlight suitable for building, warehouse, tunnel, high mast and crane lighting.

Available in a range of powers from 100W to 300W

Powered by high performance Meanwell Drivers, with Phillips LEDs delivering a high luminous output and efficiency. The Aluminium body has excellent heat dissipation, preserving the long-life time of the LEDs.

Available in a White or Black Housing.

Technical Specifications

Product Code	JT-ELGY-100	JT-ELGY-150	JT-ELGY-200	JT-ELGY-250	JT-ELGY-300
Output Power	100W	150W	200W	250W	300W
Halogen Equivalent	400W	600W	800W	1000W	1200W
Input Voltage	AC 100–277V				
Frequency	47-63Hz				
Lumens Flux (lm)		10500	15750	21000	31500
Lumen Efficiency	105 lm/w				
Power Factor	>0.95				
Working Temperature	-40 ~ +50 °C				
IP Rating	IP65				
Beam Angle	175x45°				
Dimensions (mm)	210 x 330 x 280	210 x 330 x 280	370 x 345 x 211	372 x 345 x 211	449 x 345 x 211
Safety Certificates	CE, RoHS				
Lifespan	50,000 Hrs				
Warranty	5Years
