

JT-MA-LUX 180° LED T8 Tube

High Quality LED T8 Tube with a wide 180° Beam Angle. An ideal solution for advertising light boxes.

Each tube contains two rows of High quality LED chips with optical lenses. Extra aluminium in the PC pipe allows for better heat dissipation and a low operating temperature.

Applicable uses: Factory, Supermarket, Restaurant, Exhibition, Office and Shopping mall etc.

Technical Specifications

Product Code	JT-MA-LUX180-18	JT-MA-LUX180-20
Colour Temp	6000K	
Input Voltage	AC100V- 220V 50/ 60Hz	
Power	18W	20W
LED Quantity		
Cover	Clear	
Lumens	1700Lm	1900Lm
Lumen Efficiency		
Beam Angle	180°	
CRI	>80	
Dimension	1200mm (4ft)	1500mm (5ft)
Material	Aluminium & PC	
Single or Double Ended	Powered one end. Fixed end cap as standard	
Options	Rotatable End-Cap	
Lifetime	50,000 hrs	
Safety Certificates	CE, RoHS	
Warranty	3 yrs
