

JT-EV – LED Hanging Light

Premium LED Batten Light, specially designed for ceiling suspension. Suited to a wide range of applications including office, school, and warehouse lighting, walk-ways and underground car parking.

The high quality LED light source coupled to a constant current driver, delivers a high and uniform brightness, with stable, reliable operation over a long life time.

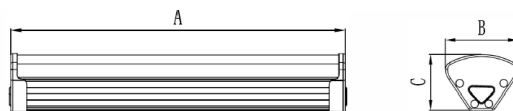

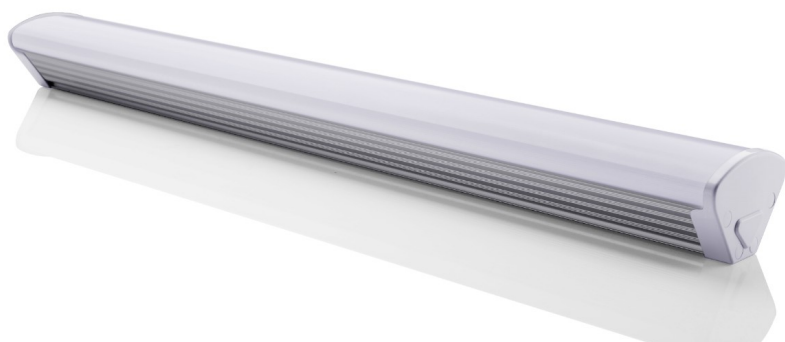

The body is made of a pure anodized aluminium and the cover is made of a high light transmittance and fire proof PC material.

The lights come supplied with fixtures for ceiling, hanging and linkable installation.

CE RoHS

JT-EV – LED Hanging Light

- A. 600mm, 1200mm, 1500mm
